Highlights

Access to all controls
The openings on this case allow convenient access to all controls and the dock connector, so you can use your device while it's protected inside the case.

Built-in desktop stand
The integrated desktop stand on the back of the case allows convenient, hands-free video viewing on any flat surface.

Matt, soft-touch finish
For an added sense of security, this case features a matt, soft-touch finish that adds a tactile layer to your device, which may otherwise feel slippery in your hand.

Quick and easy to dock
This case features a removable bottom section that allows you to dock your device quickly and easily while it remains protected in the rest of the case.

Hard-shell polycarbonate case
This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

Crystal clear screen protector
The crystal-clear film adds an invisible layer of protection against scratches and dust to your device's display screen. It works using static adhesion, so it's easy to apply and remove without leaving any sticky residue.

Wrap-around protection
The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

Protection in an instant
This case is made from a durable material that is custom-made to fit your device perfectly. The case is quick and easy to put on and adds a layer of protection to your device.
